

Star Dusters

**Nonprofit Affiliate of Lockheed Martin Leadership Association
P.O. Box 10310, Burbank, CA 91510-0310**

Congratulations on becoming eligible to join the Star Dusters organization and thank you for your contributions to Lockheed Martin.

You are cordially invited to join the Star Dusters, a social organization of people who have a continuing interest in the Corporation although they are no longer employed by Lockheed Martin or its heritage companies. Membership is open to retired and former employees and their surviving spouses.

The Star Dusters organization, which was formed in the 1970's in Burbank, CA, began as a retiree group of Lockheed Aircraft Company employees. We have since broadened our focus and currently have over 1,200 members from many Lockheed Martin Divisions in 42 States and in the United Kingdom.

Over the years, our members have found the Star Dusters a good way to "keep in touch" with their friends and colleagues and to stay up to date with the status of activities within the Corporation.

Star Dusters enjoy the many benefits of membership, including an excellent monthly newsletter, organization website, membership roster with address and e-mail information, reunion events, member outings, and information on satellite organizations and other social groups. The attached description of Star Dusters member benefits provides more details.

Those who join the Star Dusters pay modest annual membership dues as shown in the enclosed Application for Annual Membership. Should you decide to join, please complete the application information and mail it to the above address or go to lmstardusters.org if you prefer to join on-line.

If you would like more information, please call our toll-free number, 1-888-718-5328, ext.2011, or e-mail us at info@lmstardusters.org

I look forward to you joining the Star Dusters!

Sincerely,

Dennis Fernandez
2017 President
